

What to Pack for Camp

* Most airlines allow your check-on baggage to be up to 50 lbs (22 kg) for international flights. Mercy Projects is asking you to use only one of your check-on allowances for your personal belongings. Any extra check-in baggage that the airline allows you to take will be used for ministry supplies. Please contact your team leader or MP for more information (missiontrips@mercyprojects.com) *(Please be flexible if you are asked to bring camp supplies and you are only allowed one checked bag).*

*If you are arranging your own flights, you are responsible to contact the airlines about your baggage requirements (NOTICE: separate flights within Europe may change weight restrictions).

*In addition to your suitcase, you are allowed one carry-on (weighing no more than 10 pounds/4.5 kg). Backpacks are ideal to carry-on.

* Laundry services are not available. Although you may choose to wash some clothing in the sink and hang them in your room to dry, we suggest you bring enough undergarments for your entire stay.

Weather

Summer: Temperatures in Ukraine/Armenia range from the low 50F (10C) to highs in the mid-upper 80'sF (26C). It's usually chilly in the morning & evening and warm-hot during the day. It is normal to have high humidity and summer rainstorms.

Winter: Winter temperatures in Ukraine range from close to 0 F (-17), to highs in the mid-upper 20'sF (-6C). It's usually freezing in the morning/evening and cold during the day. It is possible that the heat indoors does not work as well as you are used to at home so bring layers (refer to the packing list below)!

Attire/Dress Code

Please come prepared with a jacket and comfortable, warm, and water resistant walking shoes or hiking boots with a good non-skid sole. Dress comfortably, yet conservatively so you will not offend others. Modest make-up and jewelry is allowed. **Daily wear will consist of** jeans or shorts, t-shirts, and sweatshirts during the summer; while winter wear will consist of sweats when indoors and jackets, gloves, beanies, and scarves while outdoors. Dresses should be worn to all church services. During the summer be sure to pack a swimsuit that is appropriate for a Christian children's camp. Remember, **modesty** is the best policy. Please be intentional about what you pack and avoid the following items; short shorts, halters, tank tops, inappropriate logos, or tops that do not cover your entire midriff.

Please, Do Not Bring expensive jewelry, inappropriate clothing, or electrical appliances such as: hair dryers (unless you are going to winter camp), expensive walkmans, ipods, personal CD players, curling irons, shavers, etc.

Why? We do not want to: 1) look as though we are showing off our expensive luxuries at camp, 2) tempt anyone to take them, or 3) seclude ourselves from the rest of the team. Thank you for your cooperation!
